SENATE
Senate Bill No. **247**

RECEIVED BY: 

Introduced by **SENATOR LACSON**

AN ACT
PENALIZING ANY PERSON PROVIDING OR POSSESSING
CONTRABAND AND THOSE WHO SHALL AID OR ABET THE
INTRODUCTION OF THE SAME INSIDE ANY PRISON FACILITY
ADMINISTERED BY THE DEPARTMENT OF JUSTICE, PROVIDING
PENALTIES THEREFORE AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Despite existing regulations prohibiting the trade and possession of contrabands in our different correctional facilities, the menacing activity of contraband hoarding and the seeming ineptitude of prison authorities to put an end to this activity still plague our penal system.

The series of raids conducted by the Department of Justice together with the agents of the National Bureau of Investigation and the officers of the Bureau of Corrections (BuCor), the Philippine National Police, and the Philippine Drug Enforcement Agency proved that the New Bilibid Prison has become a hub of continuing criminality. In December 2014, authorities uncovered a cache of high-powered firearms and cash in the felons' quarters. Convicts, particularly high-profile drug dealers, also enjoy some amenities of private individuals like air-conditioned rooms with TV sets, Wi-Fi, refrigerators, Jacuzzis and sauna, hi-tech entertainment systems, concert equipment, aquariums, bar and kitchen, and back-up power generators. They also sported pricey watches, had wads of cash in their pockets, as if they were living in plush subdivisions and not in the national penitentiary.

Another publicized raid in November of 2015 revealed similar results wherein guns, bladed weapons, luxury items, and substantial amounts of money were found in the possession of inmates. The most recent raid conducted by the authorities last May still proved that contrabands are still rampant inside our national penitentiary. It would then seem that the so-called "OplanGalugad" of the BuCor had not prevented the proliferation of these contraband items inside our prisons.

The supposed heavy constraints and policing, stringent inspection, and eminent police presence inside the national penitentiary proved not to deter the

temerity and boldness of inmates in hoarding, using and generating lots of money in contrabands.

The seeming continued proliferation of contraband in prison is an appalling show of contempt for our justice system, whose main purpose is to reform and rehabilitate inmates for their eventual return to society. A convicted criminal resists reformation when he is still exposed to the very objects that had caused his incarceration. Indeed, it would be difficult for an inmate to feel some remorse considering that he still has the comforts of home even when he is behind bars.

This proposal, patterned after Title 18, Part I Chapter 87 of the U.S. Code Series of 1791, aims to put a stop to the shenanigans happening inside our prison facility by penalizing those who would provide, assist, aid or abet in the introduction of any prohibited object or contraband inside a prison facility, along with the inmate who makes, possesses or obtains or attempts to make or obtain the same inside the prison facility; and imposing a stiff penalty for its commission.

A stiff penalty is required in this circumstance in order to instill fear and be an effective deterrence to those contemplating of doing this crime in the future. More importantly, the said penalty applies as well to government officials or employees who cooperate or co-opt with the inmate or other private persons involved therein.

Not only will the government officials and employees suffer the same penalty, they shall likewise suffer the additional punishment of perpetual absolute disqualification from holding a public office and forfeiture of all retirement benefits and all accrued leave credits. Thus, these people will have to rethink of getting involved in the said crime or desist from doing it.

It is for this purpose that the approval of this bill is earnestly sought.

SENATE
Senate Bill No. **247**

RECEIVED BY:

Introduced by **SENATOR LACSON**

AN ACT
PENALIZING ANY PERSON PROVIDING OR POSSESSING CONTRABAND
AND THOSE WHO SHALL AID OR ABET THE INTRODUCTION OF THE
SAME INSIDE ANY PRISON FACILITY ADMINISTERED BY THE
DEPARTMENT OF JUSTICE, PROVIDING PENALTIES THEREFORE AND
FOR OTHER PURPOSES

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

1 **SECTION 1. Title.** This Act shall be known as the “*Anti-Contraband in Prison*
2 *Act of 2019*”.

3
4 **SECTION 2. Declaration of Policy.** The maintenance of peace and order, the
5 protection of life, liberty and property, and the promotion of the general welfare are
6 essential for the enjoyment by all the people of the blessings of democracy. To
7 implement this policy, the State is mandated to enact laws aimed at achieving a just and
8 orderly society governed by rules and regulations made applicable to all and not just to a
9 chosen few. Recent inspections in our penal facilities including the New Bilibid Prisons
10 show that some inmates incarcerated in our penal institutions continue to enjoy the
11 luxuries they were accustomed to while they were outside the prison compound. To
12 remedy this seeming inequity and to truly implement the thrust of one of the five pillars
13 of our justice system, a mechanism for the effective implementation of the goal of the
14 said pillars i.e., reformation, should be instituted. Towards this end, the State shall strictly
15 monitor and regulate the ingress/egress of any person in any prison facility and provide
16 the appropriate sanction to be imposed on any person found to be violating the rules set
17 forth herein.
