Senate Bill No. 309

RECEIVED BY

Introduced by Senator Juan Miguel F. Zubiri

**AN ACT
ESTABLISHING THE DRUG PRICE REGULATORY BOARD TO REGULATE
THE PRICES OF DRUGS AND MEDICINES IN THE PHILIPPINES
AMENDING FOR THE PURPOSE REPUBLIC ACT NO. 9502, OTHERWISE
KNOWN AS THE "UNIVERSALLY ACCESSIBLE CHEAPER AND QUALITY
MEDICINES ACT OF 2008" AND FOR OTHER PURPOSES**

EXPLANATORY NOTE

Eleven years after the enactment of Republic Act 9502 or the Universally Accessible Cheaper and Quality Medicines Act of 2008, achieving its primary objective of ensuring sustainable access to affordable essential drugs and medicines remains to be elusive. Not discounting the great advances made by the Philippine government since the implementation of this law, improvements are still needed to achieve the goal of ultimately lowering the prices of drugs and medicines and broadening the list of drugs and medicines that can be subjected to price regulation.

This bill aims to introduce amendments to eliminate the circuitous procedure of lowering the prices of essential medicines found in the current law by creating a Drug Price Regulatory Board, which will be tasked to, among others, regulate the prices of drugs and medicines in the country.

In view of the foregoing, passage of this bill is earnestly sought.

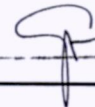

JUAN MIGUEL F. ZUBIRI
