EIGHTEENTH CONGRESS OF THE
REPUBLIC OF THE PHILIPPINES
First Regular Session

SENATE

s. No. <u>433</u>

RECEIVED BY

Introduced by SENATOR RAMON BONG REVILLA, JR.

AN ACT

CHANGING THE COMPOSITION OF THE ADVISORY COMMITTEE OF THE NATIONAL COUNCIL FOR THE CHILDREN'S TELEVISION, AMENDING FOR THE PURPOSE SECTION 6 OF REPUBLIC ACT NO. 8370, OTHERWISE KNOWN AS THE "CHILDREN'S TELEVISION ACT OF 1997"

EXPLANATORY NOTE

Republic Act No. 8370, otherwise known as the "Children's Television Act of 1997" established the National Council for Children's Television (NCCT) which was mandated to, among others, "formulate and recommend plans, policies and priorities for government and private sector (i.e. broadcasters, producers, advertisers) action towards the development of high-quality locally produced children's television programming, to meet the developmental and informational needs of children."

As embodied in their vision, "NCCT ensures that quality television programs are offered to Filipino children for their empowerment and holistic development". Last 08 April 2019, NCCT issued Memorandum Circular No. 2019-01 or the "Rules and Regulations on the Child-Friendly Content Standards".

RA 8370 also created the Advisory Committee which shall assist NCCT "in the formulation of national policies pertaining to children's broadcast programs and in monitoring its implementation".

The NCCT has spearheaded commendable programs in the recent years

including the "Cine Pambata", "Dokyubata: Isang Pagdiriwag ng Dokyumentaryong

Pantelebisyon Para sa Batang Pilipino", "Katuwang sa Mapanuring Panonood

(KaSaMaPa): An Orientation on Smart TV Parenting", and "Understanding and Utilizing

Media in Teaching (UUMT): A Seminar-Workshop in Media Literacy Integration in the

K-12 Curriculum".

While recognizing the laudable accomplishments and contributions of NCCT, it

can better fulfil its mandate by strengthening its Advisory Committee. Currently, the

heads of agencies sit as members of the said Committee. But, in fact, there are

specific department heads within those agencies who have more specific role and

technical expertise related to the functions of NCCT.

This measure seeks to change the composition of the Advisory Committee of

the NCCT by appointing such specific department heads as members. In particular,

the head of the Committee on Cultural Education and Information of the National

Commission for Culture and the Arts, and a representative from the Regulation Branch

of the National Telecommunications Commission will replace the heads of their

agencies as members of the Committee.

Moreover, it proposes to include a representative from the National Youth

Commission as a new member of the Committee.

This measure was already approved on Third Reading by the House of

Representatives in the 17th Congress and remained pending in the Senate Committee

on Public Information and Mass Media.

In this light, the immediate passage of this bill is highly recommended.
