AN ACT
PROVIDING FOR BENEFITS TO MILITARY DEPENDENTS, CREATING THE
MILITARY DEPENDENTS WELFARE OFFICE, APPROPRIATING FUNDS
THEREFOR AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Section 3, Article II of the Constitution declares that "the Armed Forces of the Philippines is the protector of the people and the State", particularly in securing the sovereignty of the Philippines and the integrity of its national territory as its main goal.

While we must not overlook the obligation of the State to safeguard our sovereignty by modernizing the military, it must be viewed that modernization of our Armed Forces cannot be in terms of equipment, facilities, and skills alone but must also be accompanied by better and improved benefits for military personnel, most importantly their families. It is also the primary concern of the State to grant adequate remuneration and benefits for members of the Armed Forces.

In accordance with Constitutional provisions, this measure provides the necessary framework of institutionalizing benefits for military dependents and emphasizes on increasing benefits on the dependents for health, housing, education, among other benefits.

Therefore, expeditious passage of this bill is earnestly sought.
