S. No. 952

RECEIVED BY: _____

Introduced by SENATOR RAMON BONG REVILLA, JR.

AN ACT
AMENDING REPUBLIC ACT NO. 7743, OTHERWISE KNOWN AS "AN ACT
PROVIDING FOR THE ESTABLISHMENT OF CONGRESSIONAL, CITY, AND
MUNICIPAL LIBRARIES AND BARANGAY READING CENTERS THROUGHOUT
THE PHILIPPINES", AND FOR OTHER PURPOSES

EXPLANATORY NOTE

The phenomenon of technology has taken the world by storm. Its uses seem limitless, especially when it comes to the dissemination of information. In this day and age, the blessing of technology does wonders for education across the globe. The children of the world are no longer restricted within the four walls of their classrooms, nor are they limited only to the use of books and magazines.

Republic Act No. 7743 was enacted specifically to put up libraries and reading centers in every city, municipality and barangay in order to accelerate the literacy rate of our citizenry. Sadly, since the passage of the law, its intended purpose has yet to be fully implemented across the nation. It is high time we push for the full implementation of this monumental piece of legislation.

The State recognizes the need for R.A. No. 7743 to be in full effect to better serve our fellowmen. It also recognizes the need to upgrade our learning system. With that being said, the State acknowledges the practicality and efficiency of using technology as means for furthering the intent of the previous legislation. The State

shall provide existing and future learning and reading centers with the latest computer and electronic library technology in order to best serve the people.

In view of the foregoing, the passage of this bill into law is earnestly sought.

RAMON BONG REVILLA, JR.
