Senate Bill No. 1333

RECEIVED

Introduced by Senator Juan Miguel F. Zubiri

**AN ACT
CREATING A DISTRICT ENGINEERING OFFICE IN THE SEVENTH LEGISLATIVE
DISTRICT OF THE PROVINCE OF CEBU, AND APPROPRIATING FUNDS
THEREFOR**

EXPLANATORY NOTE

One of the basic and most important functions of the government is to provide quick, accessible and efficient services to all Filipinos. As such, it is imperative that that government offices be readily accessible in areas that need them the most.

Currently, there are seven District Engineering Offices in Cebu, serving 38 municipalities, 6 component cities and 3 independent cities. This bill seeks to create an additional District Engineering Office in the Seventh Legislative District of the province. The proposed new District Engineering Office shall serve the municipalities of Dumanjug, Ronda, Alcantara, Moalboal, Badian, Alegria, Malabuyoc, and Ginatlan, all in the province of Cebu.

The creation of the Seventh District Engineering Office will be important for a faster and more efficient provision of services relating to infrastructure and public works of the enumerated municipalities, giving them a boost in their continuous effort towards development.

In view of the foregoing, the passage of this bill is earnestly sought.
