**AN ACT PROVIDING FOR THE CONVERSION OF DINAPIGUE, ISABELA
ROAD GOING TO DILASAG, AURORA INTO A NATIONAL ROAD AND
APPROPRIATING FUNDS THEREFOR**

EXPLANATORY NOTE

Dinapigue is located in the southeastern-most part of the province, near the provincial boundaries of Quirino and Aurora. It is bounded in the north by Palanan, in the west by Echague, San Guillermo and San Mariano, and in the south by Aurora Province. It is virtually land locked by Sierra Madre Mountain range on the west and Pacific Ocean in the east.

The development of the Dinapigue, Isabela road has been long sought so that it may be passable for vehicles in all weather conditions. The slowly rotting wooden bridges constructed on creeks and rivers pose a threat to the safety of tourists and travelers that pass through. Furthermore, the high slopes of narrow roads traversing the mountains are prone to causing accidents that result to serious injury or worse.

The development of the road cannot be fully undertaken by the local government because of its very limited financial capability. However, it is deemed advantageous in light of the foregoing circumstances that said provincial road be converted into a national road, entrusting the Department of Public Works and Highways with the responsibilities of proposed conversion.

The proposed bill seeks to convert the provincial road in Dinapigue, Isabella leading to Dilasag, Aurora into a national road

In view of the foregoing, the immediate passage of this bill is earnestly sought.

MARIA LOURDES NANCY S. BINAY
Senator
