AN ACT
CONVERTING THE PASIG CITY SCIENCE HIGH SCHOOL IN BARANGAY
MAYBUNGA, PASIG CITY, METRO MANILA INTO A NATIONAL SCIENCE
HIGH SCHOOL TO BE KNOWN AS PASIG CITY NATIONAL SCIENCE HIGH
SCHOOL AND APPROPRIATING FUNDS THEREFOR

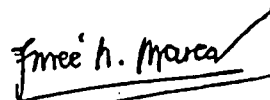

EXPLANATORY NOTE

Article II, Section 17 of the 1987 Constitution provides that the State shall give priority to education. The Constitution further declares that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Thus, the establishment, maintenance and support of a complete, adequate, and integrated system of education relevant to the needs of the people and society is a priority of the State.

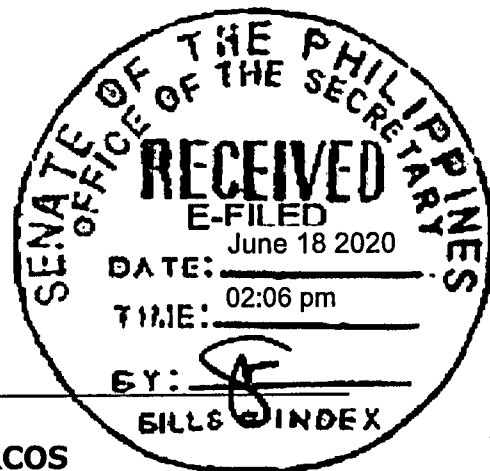

The rapid growth of Pasig City's population calls for the upgrading of school facilities. The Pasig City Science High School receives an increasing amount of enrollees the past few years. Providing accessible and quality education to its students with limited facilities and resources has been a constant challenge for the school. Thus, it is imperative that our schools and its facilities be upgraded and modernized in accordance with the educational needs of the Filipino youth.

This bill seeks to convert the Pasig City Science High School in Barangay Maybunga, Pasig City into a national science high school to be known as the Pasig National Science High School. This will make specialized high school more accessible to the youth of Pasig City.

In view of the foregoing, this representation earnestly seeks your support for the approval of this bill.
