EXPLANATORY NOTE

The 1987 Philippine Constitution, under Article XIV, Section 1 provides that, *"The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all."*

In 2019, Siargao was voted the best island in the world by Conde Nast Traveler— with a population of roughly 200,000 people and a remote, untouched feel, Siargao has been luring visitors from far and wide with its pristine, white beaches, excellent surfing conditions, and peaceful, tropical atmosphere. The influx of tourists in the island and the development, demands the creation of a training center to equip its residents with the necessary skills in entrepreneurship and other forms of trade, commerce and industry.

Hence, this bill aims to establish a Technical Education and Skills Development Authority (TESDA) Training and Assessment Center in the Municipality of Dapa, Siargao Island, Province of Surigao del Norte. Furthermore, this measure seeks to improve the quality of life of the people in the Province as well as to provide a sustainable livelihood for the community's underprivileged sector.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

IMEE R. MARCOS
