SENATE

S.B. No. 2161

INTRODUCED BY SENATOR RISA HONTIVEROS

AN ACT
PROTECTING AND PROMOTING THE RIGHTS TO EQUALITY AND NON-
DISCRIMINATION ON THE BASIS OF RACE, ETHNICITY AND RELIGION

EXPLANATORY NOTE

Article III, Section 1 of the 1987 Constitution provides for equal protection of the laws. It is the duty of the state to protect its citizens against undue favor, hostile discrimination, or oppression. Moreover, the Philippines is a signatory to the International Covenant on Economic, Social and Cultural Rights (ICESCR) and the International Covenant on Civil and Political Rights (ICCPR) of the United Nations which guarantee and ensure respect for the human rights of every individual, without discrimination of any kind as to race, skin color, sex and gender identity, language, religion, political or other opinion, national or social origin, property, birth or other status, and to adopt such legislative or other measures as may be necessary to give effect to those rights.

However, this does not happen in the realities of life, like the different and adverse treatment or discrimination against Muslims/MORO people and Indigenous Peoples or Lumads/ Highlanders in Mindanao and elsewhere in the Philippines. This bill seeks to prohibit discriminatory acts based on race, ethnicity, and religion.

Among others, this measure prohibits acts of discrimination such as refusal to employ an applicant, denying or limiting access of an employee to work benefits and opportunities, denial of access to medical or health services open to the general public, and denial of entry or access to any facility and assembly that are open to the general public. It also prohibits the discriminatory portrayal of groups as religiously, racially, or ethnically inferior in learning institutions, books, learning materials, and teaching devices.

Violators stand to face jail time and may be required to pay a fine, depending on the severity of the act. This bill will help protect the rights of MORO and indigenous peoples in the country. Discriminatory attitudes or practices will not be corrected by legislation alone, but these legislative sanctions are still part of what should be a holistic response to such discrimination. In view of the forgoing, the passage of this bill is earnestly sought.
