SENATE
S.B. No. 2265

Introduced by **Senator Richard J. Gordon**

AN ACT
INSTITUTIONALIZING THE PHILIPPINE COAST GUARD AUXILIARY (PCGA),
AMENDING FOR THE PURPOSE SECTION 11 OF REPUBLIC ACT NO. 9993,
OTHERWISE KNOWN AS THE PHILIPPINE COAST GUARD LAW OF 2009,
AND FOR OTHER PURPOSES

EXPLANATORY NOTE

This bill seeks to institutionalize the Philippine Coast Guard Auxiliary (PCGA). The PCGA is a service-oriented, uniformed, voluntary organization. It is a non-government, non-political organization whose membership adhere to the Philippine Coast Guard's (PCG) customs and traditions. Its organizational structure is parallel to PCG and has its own chain of leadership and management.¹

Initially established in 1972 through Republic Act No. 5173, the PCGA's purpose was to assist the Philippine Coast Guard in the conduct of search and rescue and safety of boats at sea. Thereafter, the PCGA organization eventually expanded and now officially covered under Section 11 of Republic Act Number 9993, otherwise known as the PCG Law of 2009. Its primary functions include providing support and assistance to PCG in the promotion of safety of life and property at sea, the preservation of the marine environment and its resources, the conduct of maritime search and rescue, the maintenance of aids to navigation, recreational safety and such other activities that enhance maritime community relations which include civic action, participation under the National Service Training Program, youth development, and other related activities.²

² Ibid.

Currently, the PCGA is headed by the National Director (ND) assisted by two deputies, the Deputy National Director for Operations (DNDO) and the Deputy National Director for Administration (DNDA). It has Auxiliary Districts and Squadrons under every regular Coast Guard District in the archipelago. The PCGA has about 20,000 Squadron members in 13 Districts located in Luzon, Visayas and Mindanao.³

The role of PCGA as an adjunct to the PCG is fully emphasized particularly during natural calamities. Institutionalizing the PCGA will enable the government to fully harness its potential as the citizen arm of the PCG not only during search and rescue operations but more importantly in achieving a safe, clean and secure marine environment for the entire Filipino people.

Immediate passage of this bill is earnestly sought.
