**WHEREAS**, he also authored RA 11691, or the "Judiciary Marshals Act", with the end in view of ensuring the safety and security of the members of the Judiciary, judicial personnel, and court assets, in order for the Judiciary to function independently and impartially in upholding the rule of law and in preserving the rights and guarantees granted by the Constitution; and RA 11055 or the "National Identification System", meant to provide Filipino citizens and resident aliens a single and unified proof of identity to simplify public and private transactions and deter criminality;

**WHEREAS**, he strongly supported the enactment of the following landmark legislations, to wit: RA 11476, or the "GMRC and Values Education Act", which shall inculcate in the minds of the students the basic tenets of good manners and right conduct, obedience to law, nationalism and other universal values and RA 11469, or the "Bayanihan to Heal as One Act" which provides for Covid-19 response and recovery interventions;

**WHEREAS**, a champion of empowering local government units, he was instrumental in the enactment of RA 11683 which exempts municipalities applying for cityhood from the land and population requirements if it generates Php100 million for two consecutive years;

**WHEREAS**, a known fierce watchdog of the national budget and crusader for the abolition of the pork barrel system, he exposed questionable and needless appropriations in the budget measure, always pushing for the deletion of the pork barrel and other dubious insertions during plenary debates;

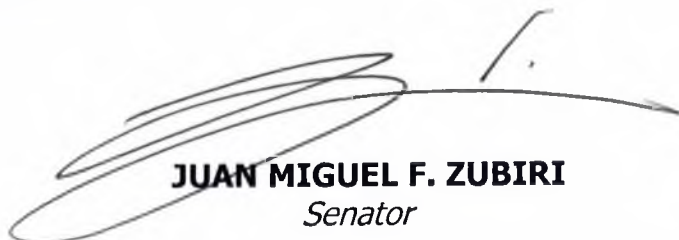

**WHEREAS**, unflinching in his fight against corruption and wrongdoings in line with his personal credo "What is right must be kept right; what is wrong must be set right", he was responsible for exposing and calling for investigations of anomalous activities in the government, such as: the anomalous purchased of overpriced Covid-19 pandemic-related medical supplies involving the Department of Health officials and Pharmally Pharmaceutical Corp. executives; the continued operations of jueteng in the country; irregularities in the multibillion-peso Quedancor Swine Program; the chopper scam where second-hand helicopters were sold as brand new to the PNP; a plan by the Social Security System to channel workers' pension funds into a government stimulus program; and the tara list and payola in the Bureau of Customs, among others;

**WHEREAS**, in recognition of his 50 years of dedicated, exemplary and unblemished service to the country characterized by his faithful adherence to the virtues of courage, loyalty and integrity, the Philippine Military Academy (PMA), his Alma Mater, has conferred on him the Lifetime Achievement Award;
