SENATE BILL No. 112 RECEIVED BY:

**Introduced by Senator Aquilino Q. Pimentel, Jr.**

---

EXPLANATORY NOTE

Republic Act 8043, otherwise known as "An Act Establishing the Rules to Govern Inter-Country Adoption of Filipino Children, and for Other Purposes", was enacted on 07 June 1995. The Law was enacted under the guiding principles of the Hague Convention on Protection of Children and Cooperation in Respect of Inter-Country Adoption. The primary purpose of the Hague Convention is to require a process which ensures that inter-country adoption of a child is determined to be in the child's best interests, and that all measures are taken to prevent abduction, sale or traffic of children.

This bill seeks to institute reforms in the process of inter-country adoption, to make it more responsive to the changes in the concept of international adoption.

One of the features of this legislative measure is the removal of the age requirement for the adopter, i.e. to be at least twenty seven (27) years old at the time of the adoption. It likewise seeks to re-name the Inter-Country Adoption Board as Inter-Country Adoption Authority (ICAA), and introduces structural changes in the ICAA.

Each Filipino child deserves a family that will protect his/her best interests. It is therefore the policy of the State to find an adoptive family for any child found legally free for adoption and to establish an efficient system for the implementation thereof.

Hence, the immediate passage of this bill is earnestly requested.
