AN ACT DECLARING A PARCEL OF LAND LOCATED IN THE MUNICIPALITIES OF MARIA AURORA AND SAN LUIS IN THE PROVINCE OF AURORA AND IN THE MUNICIPALITY OF BONGABON IN THE PROVINCE OF NUEVA ECIJA, A PROTECTED AREA WITH THE CATEGORY OF PROTECTED LANDSCAPE UNDER THE NATIONAL INTEGRATED PROTECTED AREAS SYSTEM (NIPAS), TO BE REFERRED TO AS THE AURORA MEMORIAL PROTECTED LANDSCAPE (AMPL), PROVIDING FOR ITS MANAGEMENT, AND APPROPRIATING FUNDS THEREFOR

## EXPLANATORY NOTE

Pursuant to the constitutional right of the people to a balanced and healthful ecology, the National Integrated Protected Areas System (NIPAS) was established by virtue of Republic Act (RA) No. 7586, as amended by RA No. 11038, otherwise known as the "Expanded NIPAS Act of 2018". As declared under this Act, the State shall "secure for the Filipino people of present and future generations the perpetual existence of all native plants and animals through the establishment of a comprehensive system of integrated protected areas within the classification of national park as provided for in the Constitution." The system shall encompass ecologically rich, unique, and biologically important areas that are habitats of threatened species of plants and animals, biogeographic zones and related ecosystems, whether terrestrial, wetland or marine, all of which shall be designated as 'protected areas'.

Based on the records and various suitability assessments by the Biodiversity Management Bureau (BMB) of the Department of Environment and Natural

Resources (DENR), there are still numerous sites in the country that needs to be given 'protected area' status, by legislative action, to ensure its conservation.

Aurora Memorial National Park is part of the State's National Integrated Protected Areas System. It is located within the Sierra Madre mountain range between the provinces of Nueva Ecija and Aurora in Central Luzon. It has some of the most important rainforests in the region and is home to a wide diversity of flora and fauna.

In recognition of the richness of the biological resources, as well as the aesthetic and ecological importance of Aurora National Park, there is a need to ensure its conservation, protection, management, and rehabilitation of the area. Hence, it is imperative to declare the Aurora Memorial National Park a national policy in accordance with the Expanded National Integrated Protected Areas System Act of 2018 and international conventions to which the Philippines is a signatory.

This measure aims to provide an added layer of protection for the pristine ecosystem of the Aurora Memorial National Park and establish the Protected Area Management Board which will oversee its management.

In view of the foregoing, the approval of this bill is earnestly sought.
