*Be it enacted by the Senate and House of Representatives of the Philippines in  
Congress assembled:*

- 1 Section. 1. **Short Title.** - This Act shall be known as the "Philippine Archipelagic Sea  
2 Lanes Act".
- 3 Sec. 2. **Declaration of Policy.** - It is hereby the declared policy of the State to  
4 ensure the protection of its maritime domain and to safeguard the sovereignty of the  
5 State and the integrity of the national territory. Towards this end, the State shall  
6 adhere to and implement the provisions of the 1982 United Nations Convention on the  
7 Law of the Sea (UNCLOS) and other relevant conventions to which the Philippines is  
8 a party.

1 Consistent with the national interest, the State likewise reiterates its policy of adopting  
2 and pursuing freedom against nuclear weapons in its territories, as enunciated in  
3 Article II Section 8 of the 1987 Constitution.

4 **Sec. 3. *Scope of Application.*** - This Act shall govern the exercise of archipelagic sea  
5 lanes passage through established and designated archipelagic sea lanes by foreign  
6 ships and aircraft: *Provided*, That pending the establishment and designation of the  
7 said archipelagic sea lanes, ships and aircraft passing through routes normally used  
8 for international navigation and overflight shall comply with the provisions of this Act.

9 **Sec. 4. *Definition of Terms.*** - For the purposes of this Act, the following terms shall  
10 be defined as follows:

- 11 (a) ***Archipelagic sea lanes*** refer to the designated sea lanes in the  
12 archipelagic waters and air routes thereabove through which foreign  
13 vessels or aircraft may exercise the right of archipelagic sea lanes passage;
- 14 (b) ***Archipelagic sea lanes passage*** refers to the exercise of the rights of  
15 navigation and overflight in the normal mode solely for the purpose of  
16 continuous, expeditious, and unobstructed transit between one part of the  
17 high seas or an exclusive economic zone (EEZ) and another part of the  
18 high seas or an EEZ: *Provided*, That such passage is not prejudicial to the  
19 peace, good order, and security of the Philippines;
- 20 (c) ***Archipelagic waters*** refer to the waters on the landward side of the  
21 archipelagic baselines as defined in the Philippine Maritime Zones Act;
- 22 (d) ***Associated protective measures*** refer to measures that the Philippines  
23 may adopt to regulate international maritime activities for the protection  
24 of areas at risk from navigation and overflight. These shall include all  
25 measures adopted or to be proposed for adoption in accordance with the  
26 regulations of the International Maritime Organization (IMO);
- 27 (e) ***Bioprospecting*** refers to the research, collection, and utilization of  
28 biological and genetic resources for purposes of applying the knowledge  
29 derived therefrom for commercial purposes;

- 1 (f) **Hydrographic survey** refers to a survey having for its principal purpose  
2 the determination of data relating to bodies of water. A hydrographic  
3 survey may consist of the determination of one or several of the following  
4 classes of data: depth of water; configuration and nature of the bottom;  
5 directions and force of currents; heights and times of tides and water  
6 stages; and location of topographic features and fixed objects for survey  
7 and navigation purposes;
- 8 (g) **Oceanographic survey** refers to a study or examination of any physical,  
9 chemical, biological, geological, or geophysical condition in the ocean or  
10 any part of it. It is an expedition to gather data, samples, or information  
11 to conduct such studies or examinations;
- 12 (h) **Right of innocent passage** refers to the continuous and expeditious  
13 passage of foreign vessels through the territorial sea that is not prejudicial  
14 to the peace, good order, or security of the Philippines. The passage  
15 includes stopping and anchoring, but only insofar as the same are  
16 incidental to ordinary navigation or are rendered necessary by *force*  
17 *majeure* or distress or for the purpose of rendering assistance to persons,  
18 ships, or aircraft in danger or in distress. Passage shall be considered as  
19 prejudicial to the peace, good order, or security of the Philippines if, in the  
20 territorial sea, the vessel engages in any of the activities enumerated in  
21 Article 19 of the UNCLOS. Subject to Article 53 and without prejudice to  
22 Article 50 of UNCLOS, ships of all States shall also enjoy the right of  
23 innocent passage through archipelagic waters;

30 accordance with the provisions of UNCLOS on archipelagic sea lanes passage, may  
31 exercise the rights of navigation and overflight from one part of the high seas or an

1 EEZ to another part of the high seas or an EEZ through or over the Philippine  
2 archipelagic waters and its adjacent territorial sea.

3 Archipelagic sea lanes shall be defined by a series of continuous axis lines and specific  
4 coordinates from entry points of passage routes to the exit points, drawn over  
5 archipelagic waters.

6 The right of archipelagic sea lanes passage shall be exercised through a sea lane or  
7 the air route above a sea lane that has been established and designated to be an  
8 archipelagic sea lane for that purpose.

9 **Sec. 6. *Archipelagic Sea Lanes.*** - The system of archipelagic sea lanes in the

24 and the factors and/or reasons outlined in the succeeding sections.

25 **Sec. 8. *Factors for Selection.***- The following factors shall be considered by the  
26 President in the identification, proposal, and designation of the coordinates of the  
27 archipelagic sea lanes specified in Section 6 hereof, as well as in the establishment  
28 and designation of any additional or substitute sea lanes or air routes:
