SENATE

RECEIVED BY: 

Senate Bill No. 330

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

The Filipino youth today faces a myriad of issues that needs to be addressed at the grass root level. Poverty, lack of education, drug or substance abuse, vice, crime and unemployment are among the many problems that continue to batter them. Likewise, recent issues on the rising number of street children in urban centers, child abuse, forced-labor and pedophilia are quite alarming, aggravating the plight of the youth.

As an immediate step towards a long range action plan for them, there is a need to establish, an integrated youth center in the fifteen (15) regions of the country. These youth centers are envisioned as half-way houses and/or transient shelters, lodging facilities with skills and training centers, to cater to the youth in difficult circumstances who are in need of immediate attention.

These centers shall also serve as one-stop youth activity centers, in terms of lodging and recreation facilities, venue for livelihood and skills training, community service and voluntary work, and extension offices and/or regional offices of the government's lead youth agency – the National Youth Commission.

In view of the foregoing considerations, approval of this bill is earnestly recommended.
