Senate Bill No. 364

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Republic Act No. 7160, otherwise known as the Local Government Code, authorizes the Legislature to undertake review of said Code, with the primary objective of providing a more responsive and accountable local government structure.

This proposed measure seeks to further institutionalize local autonomy by strengthening the fiscal autonomy of local government units (LGUs), by giving greater leeway in the choice of their depository bank.

National government agencies have interpreted differently the preference over government-owned banks as depository banks. One interpretation is such that a local government unit shall choose only one (1) depository bank, whether the Land Bank of the Philippines or the Development Bank of the Philippines within its area of jurisdiction.

On the other hand, a rural bank may accept deposits of local government notwithstanding the presence of government-owned banks within the locality concerned, on the condition that such rural banks are duly authorized by the Monetary Board of the Bangko Sentral ng Pilipinas.

The passage of this bill is earnestly sought.
