SENATE

Senate Bill No. 468

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Article II Section 17 of the Philippine Constitution states that "The State shall give priority to education, sciences and technology, arts, culture and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development. "

The rich heritage of the Filipino people have attracted a number of scholars, both local and foreign, to venture into further studies on valuable books and chronicles, as well as historical artifacts and published materials on Filipino culture and tradition. A Filipino cannot boast of his own nationality if he is not aware of his cultural origins.

Filipinos, who are permanent or temporary residents abroad, whether workers or students, are not exempted from this responsibility. In cognizance of the role of the State in the promotion of the appreciation and awareness of the Philippine national heritage, this "Education and Heritage Program for Overseas Filipinos Act of 2007" is being proposed. This bill intends to teach Filipino language and Philippine history and culture in the Philippine diplomatic and consular establishments. It also provides for the establishment of the Philippine schools and Filipiniana Resource Centers in different Filipino communities abroad. These measures will equip the overseas Filipinos with knowledge about their very own culture and tradition.

In view of the foregoing, the passage of this bill is earnestly sought.
