Senate Bill No. 506

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Election contests are part and parcel of Philippine politics. These are mechanisms that provided both parties the forum to present and rebut evidence on the outcome of an electoral exercise. These mechanisms are meant to safeguard against undeserving candidates from occupying public office.

Yet this mechanism has often been the tool by some parties to frustrate the sovereign will of the electorate. More often than not, election contests drag on for years that by the time it nears resolution, the next election for the very position under contention is just around the corner.

This legislative measure seeks to provide a time period for the resolution of election contests in relation to municipal and barangay offices.

Premises considered, the early passage of this legislative measure is earnestly sought.
