Senate Bill No. 519

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

It is the avowed principle of Republic Act No. 6713 that the State shall promote a high standard of ethics in public service. Public officials and employees shall, at all times, be accountable to the people and shall discharge their duties with utmost responsibility, integrity, competence and loyalty, act with patriotism and justice, lead modest lives, and uphold public interest over personal interest (Section 2, R.A. No. 6713).

Pursuant to this policy, this bill seeks to expand the prohibited acts and transactions provided in Section 7 (b) thereof, by providing for a specific provision exclusively applicable to members of the Cabinet. By virtue of the doctrine of qualified political agency, a member of the Cabinet is considered as the alter ego of the President. As such, they acquire vital information not otherwise available to others. This fact makes them very attractive to foreign corporations, who are all too eager to retain them as their consultants after their stint with the government. Thus, in order to dispel any doubt that they take advantage of information derived by virtue of their Cabinet position, they should be prohibited from employment by foreign corporations doing business in the Philippines for a period of five (5) years.

By prohibiting their employment for a period of five (5) years, there is the assurance that there will be no transfer of privileged information acquired by the Cabinet member during his stint as public servant to his new employer. This is in consonance with the public servant's mandate that utmost loyalty is required of him, because to do otherwise is detrimental to national interest.

In view of the foregoing, approval of this bill earnestly requested.
