SENATE

RECEIVED BY: 

Senate Bill No. 533

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

The Special Education Fund arises from the additional one percent (1%) tax on real property and is allotted by the Local Government Code to the local school boards. This Fund is allocated by the Code for the operation and maintenance of public schools; construction and repair of school buildings, facilities and equipment; educational research; purchase of books and periodicals; and sports development in amounts determined by the local school boards themselves.

However, these purposes and applicants do not respond to the challenges of the changing times. Thus, there is a need to amend the Local Government Code. To ensure the quality of our education system, the purposes and applications of Special Education Fund must be expanded.

The passage of this bill is earnestly sought.
