

FOURTEENTH CONGRESS OF THE)

First Regular Session )

OFFICE OF THE SECRETARY

SENATE

RECEIVED BY: 

S. BILL NO. 756

---

**Introduced By Senator Antonio F. Trillanes IV**

---

**EXPLANATORY NOTE**

The 1987 Constitution expressly provides that: *"The State shall assign the highest budgetary priority to education and ensure that teaching will attract and retain its rightful share of the best available talents through adequate remuneration and other means of job satisfaction and fulfillment<sup>1</sup>."*

Public school teachers are among the most underpaid and/or overworked professionals in our society today. Despite the fact that they are looked upon and heralded as molders of our the youth, public school teachers receive a basic salary of around eight thousand six hundred pesos (P8,600.00) only. Yet our teachers are considered to be the prime movers of the education system. Clearly, the State urgently needs to give priority to their interest and welfare, as expressly mandated by the 1987 Constitution.

To give meaning to the spirit and intent of the above mentioned constitutional provisions, there is an imperative and indispensable necessity to upgrade the salary grade of our public school teachers.

The immediate approval of this bill is, therefore, earnestly requested.
