EXPLANATORY NOTE

This bill seeks to establish the Aklan Airport Authority to oversee the economical, efficient and effective control, management and supervision of the Kalibo Airport in the Municipality of Kalibo and the Caticlan Airport in the Municipality of Malay, both in Aklan.

The world famous resort Boracay of the Province of Aklan is one of the top tourist destinations of the Philippines. Business activities also flourished in the area to cater to foreign and local visitors.

Volumes of passenger air traffic plying the Kalibo-Manila-Kalibo, Manila-Caticlan-Manila, and Kalibo-Cebu-Kalibo routes have steadily grown due to both domestic and foreign tourist arrivals. Thus, there is a need to improve, expand, and upgrade the facilities in the two airports including night landing and all weather airport equipment and system, to cope up with the demands of tourism and maximize the business and trade brought about by the same.

Through the passage of this bill, such need will be addressed.

In view of the foregoing, immediate passage of the bill is earnestly sought.
