REPUBLIC OF THE PHILIPPINES  
Second Regular Session

SENATE

RECEIVED BY: 

Senate Bill No. 2338

**INTRODUCED BY SEN. MANNY VILLAR**

**EXPLANATORY NOTE**

The purpose of this bill is to give "spirit and soul" on the Constitutional provision, specifically Article XIV, Section 18, subsection 2, which states:

"The State shall encourage and support researches and studies on the arts and culture"

Under our constitution, arts and letters enjoy the patronage of the state and the state shall conserve, promote and popularize the nation's historical and cultural heritage and resources, as well as artistic creations.

The National Artists are the national geniuses of the country and therefore deserve encouragement and recognition. Our National Artists are the ones that express the true and beautiful culture of the Philippines through their letters and arts. The honors, privileges and cash awards are given to our National Artists in recognition of their valuable and priceless work, truly reflective of the culture and heritage of the Philippines.

The privileges granted to them under Presidential Decree No. 208 have depreciated in value and do not serve the purposes for which they were granted. An increase in these privileges is, indeed, necessary in the light of present economic conditions.
