

FOURTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
First Regular Session)

7 JUL -5 PM

SENATE
S. B. No. 1212

RECEIVED BY: [Signature]

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The Constitution, Article II, Section 26, provides: "The State shall guarantee equal access to opportunities for public service....as may be defined by law."

Executive Order No. 292, otherwise known as the Administrative Code of the Philippines, provides for the recruitment and selection of employees. Section 21 further provides that "opportunity for government employment shall be open to all qualified citizens and positive efforts shall be exerted to attract the best qualified to enter the service."

Government invests heavily in education through state colleges and universities. Hence, priority should be given to qualified honor graduates of public schools in the recruitment of civil service personnel. This would also serve as an incentive for students in government-funded schools to excel academically.*
