Senate Bill No. 1407

Introduced by: **SENATOR COMPAÑERA PIA S. CAYETANO**

EXPLANATORY NOTE

The United Nations, in which the Philippines is a founding member, adopted Resolution 54/134 which designated November 25 of each year as the International Day for Elimination of Violence Against Women.

As early as 1999, women organizations in the Philippines have been commemorating November 25 as the International Day Against Violence Against Women. Consciousness raising activities have been conducted to highlight the issue of violence against women.

Gender violence is one of the most pervasive problems of women worldwide. In the Philippines, the Department of Social Welfare and Development serviced 5,608 women victims of various types of abuses in 2002 as opposed to 4,698 in 2001. This accounts for a 20% increase in the number of victims of violence. From January to March 2003, about 17 women and children were raped each day compared to 14 women and children during the same quarter in 2002.

This bill, if enacted into law, will declare November 25 as a National Consciousness Day for Elimination of Violence Against Women. It aims to raise awareness on the urgency to address the problem of violence against women.

For these reasons, approval of this Bill is urgently sought.
