S. BILL NO. 2428

---

Introduced by Senator Ralph G. Recto

### EXPLANATORY NOTE

The constitution mandates that education takes primacy in the nation building. More so, it is the policy of the State to recognize the vital role of the youth in nation-building, and to promote and protect the physical, moral, spiritual, intellect and social well-being.

It is in this light that this legislation is enacted. This bill seeks to create a National High School in the Municipality of Tuy, Province of Batangas, to be known as the Tuy National High School that will provide public secondary education to the learning populace of the municipality.

The Municipality of Tuy, Province of Batangas has only one (1) private high school providing secondary education to a considerable number of young constituents. The spiraling cost of education being offered by private educational institution hinders the mandate of the constitution hence, the immediate passage of this bill is earnestly sought.
