S.B. No. 1445

Introduced by **HON. RAMON BONG REVILLA, JR.**

**EXPLANATORY NOTE**

Suffrage is defined as the right to vote in the election of officers chosen by the people and in the determination of questions submitted to the people. Include within its scope are election, plebiscite, initiative and referendum. In elections, people choose their officials for a definite and fixed period as to whom they entrust the exercise of the powers of government.

It is a constitutional mandate on Congress to provide a system for securing the secrecy and sanctity of the ballots. The paramount consideration in drafting election-related bills is to ensure that the legislature respects and preserves the will of the electorate.

Section 44 of the Local Government Code provides for guidelines on permanent vacancies in the office of the Governor, Vice-Governor, Mayor, and Vice Mayor. With respect to succession, there is no problem if the local government unit concerned is just a single district because subsequent vacancies shall be filled automatically by the other sanggunian members according to their ranking. The controversy arises if there are two or more districts. Applying the formula in Section 44 of the Local Government Code, the ranking in the Sanggunian shall be determined on the basis of the proportion of the votes obtained by each winning candidate to the total registered voters. The said section was applied and illustrated in the case of Victoria vs. Comelec (G.R. 109005 January 10, 1994):

In the May 11, 1992 elections, the following candidates from the first, second and third districts of the Province of Albay were elected & proclaimed, to wit:

NAME	Registered Voters	Votes Garnered	Actually Voted	Rank	Ranking using the formula in Sec. 44
First District	130,085				
1. Jesus James Calisin		28,335	107,216	2 <sup>nd</sup>	28,335/130,085 = 21.78% (1 <sup>st</sup> )
2. Vicente Go., Sr.		17,937			
3. Glenio Cabredo		16,705			
Second District	155,318				
1. Juan D. Victoria		32,918	121,423	1 <sup>st</sup>	32,918/155,318 = 21.19% (2 <sup>nd</sup> )
2. Jesus Marcellana		26,030		3 <sup>rd</sup>	26,030/155,318 = 16.76% (3 <sup>rd</sup> )
3. Lorenzo Reyeg		23,887			
Third District					
1. Ramon Fernandez, Jr.		19,315			
2. Masikap Fontanilla		19,241			
3. Arturo Osia		17,778			
4. Nemesio Baclao		17,545			

The illustration above showed that while Victoria earned the highest votes, however after applying the said formula as reflected in the last column of the table, it showed that Calisin was the highest ranking member of the Sangguniang Panlalawigan of Albay. In such a case, the Supreme Court has no recourse but to merely apply the law.

For this purpose, this bill seeks to rectify the injustice committed against the electorate and to give recognition to the true will of the people as to whom they entrust the exercise of the powers of government.

Hence, passage of this bill is earnestly sought.
