S. No. 2075

Introduced by Senator JUAN MIGUEL F. ZUBIRI

EXPLANATORY NOTE

This bill seeks to convert the existing Antequera-San Isidro-Libertad (Tubigon) Provincial Road to a national road, which links the fertile agricultural farmlands of the Municipalities of Antequera, San Isidro and Tubigon all in the Province of Bohol.

Once classified as national road, this road will improve the present income of farmers, thereby empowering them to regularly provide for the basic needs of their families and children. This will pave the way for an efficient delivery of fresh farm products to the market where they will be sold in large quantities at reasonable prices. The commuting public can be assured of a faster and safer service by various transportation systems plying along this route. This will also impact on other livelihood industries in Antequera and San Isidro towns. Both foreign and local visitor arrival may also increase, since this road passes through scenic and tourist attractions overlooking the breathtaking panoramic Bohol Strait.

Hence, approval of this bill is earnestly requested.
