SENATE

S. No. 34

RECEIVED BY

Introduced by Senator Manuel "Lito" M. Lapid

EXPLANATORY NOTE

The success of the Philippines as host country and as overall champion in the 2005 Southeast Asian Games in Manila, heightened the urgency and necessity of a national institution and nation-wide network for quality education and training in accordance with international standards of sports performance in competitive events.

This bill meets the need for a National Academy of Sports to train Filipino athletes with potential to win gold medals. The academy also aims to train reserves of sports manpower scientifically and systematically to extract the crème of the crop. The academy will also train the educators, coaching and refereeing corps to ensure a continuing stream of top athletes and the best educators for sports development.

The academy which will be made an attached agency of the Philippine Sports Commission, will contemplate a nationwide network comprising of satellite training centers to serve as consortium of educational institutions offering degree and non-degree programs. This will have linkages with the academe and international organizations related to sports development and education. As an attached agency of the Philippine Sports Commission, there is an assurance that the National Academy will be in the mainstream of governing policies and programs.

Moreover, with the National Academy, physical education as taught in school will be given the attention and priority status it deserves. In addition, teachers and instructors of physical education who will be part of the degree and non-degree programs of the Academy will gain the recognition due them.

The urgent approval of this National Academy of Sports bill is necessary if we aim to make wave not only in the Southeast Asian level but also in the Asian and the World sports competitions.
