Senate Bill No. 70

RECEIVED BY: 

Introduced by Senator Manny Villar

EXPLANATORY NOTE

The assistance that we can give to these modern day heroes as we call the Overseas Filipino Workers, and their families are only but signs of the gratitude that we can extend to them in return for their sacrifice for their country and ultimately, their families especially in their time of need.

There is a saying that whenever you are down, there is no way to go but up. We may never be able to assure these modern day heroes that when they are down, we can bring them up, but one thing is .For sure, we can allow them to build themselves up again by giving them assistance in their time of need so that ultimately, they can once again have their day in the sun.

In the past few months, nothing but bad news have plagued our broadsheets as news of a possible global recession, if not depression have hit the streets, with the collapse of major financial institutions the world over, and it is a fact that our Overseas Filipino Workers will take a hit in this crisis, and it is our job to cushion them and their families, if and when they fall, for this reason, the passage of this legislation is earnestly sought.
