

FIFTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
First Regular Session)

SENATE
S.B. No. 167

Introduced by SENATOR PIA S. CAYETANO

EXPLANATORY NOTE

Section 10, Article III of the 1987 Philippine Constitution provides that "(t)he State shall promote social justice in all phases of national development."

In 1992, Republic Act No. 7277, otherwise known as the "Magna Carta for Disabled Persons," was enacted. In the declaration of policy, it is stated that "(d)isabled persons are part of Philippine society, thus the State shall give full support to the improvement of the total well-being of disabled persons and their integration into the mainstream of society. ... It shall develop their skills and potentials to enable them to compete favorably for available opportunities."

The law likewise declared that "(d)isabled persons have the same rights as other people to take their proper place in society," and further provided that "(t)he State shall advocate for and encourage respect for disabled persons. The State shall exert all efforts to remove all social, cultural, economic, environmental and attitudinal barriers that are prejudicial to disabled persons. ..."

In line with these policies, this bill seeks to equalize opportunities for differently-abled athletes who win in international competitions through the grant of the same cash and non-monetary benefits and incentives given to regular national athletes.

During the 2005 ASEAN Para Games held in the Philippines, our differently-abled athletes finished sixth overall in the 11-nation field with a 22-41-37 gold-silver-bronze record. This was a far cry from the 2-15-23 output in the 2003 Para Games in Vietnam. Having brought fame, honor and glory to our country, it is but proper that these athletes and other differently-abled athletes who will win in future international competitions be granted the same benefits given to the regular national athletes.
