**EXPLANATORY NOTE**

Significant changes were introduced to the country's national defense, and peace and order upon the enactment of Republic Act No. 6975, otherwise known as "An Act Establishing the Philippine National Police (PNP) Under a Reorganized Department of the Interior and Local Government and for Other Purposes".

Under RA 6975, duties under the supervision of the AFP then where distributed to the Philippine National Police (PNP), Bureau of Fire Protection (BFP), and the Bureau of Jail Management and Penology (BJMP). The said reorganization resulted to the formation of a professional and highly motivated workforce of men and women who are committed to their mission of enforcing the law, and ensuring the safety of our country.

This bill seeks to expand and maximize the scholarship grants extended to the family members of personnel of the PNP, BFP, BJMP, and the AFP. It is high time that we recognize the challenging role that they play in our society by providing them with benefits that would provide support to not only to the men and women of the PNP, BFP, BJMP, AFP, but to their families as well.

In view of the foregoing, immediate passage of this bill is earnestly sought.

  
ANTONIO "SONNY" F. TRILLANES IV
