S.	B. No. 2431	2 Charles to be 12 97 13 7 - A Commission and	136

#### **Introduced by Senator Loren Legarda**

#### **EXPLANATORY NOTE**

Solo parent refers to a parent who is left alone with the responsibility of parenthood due to death, detention, mental incapacity or legal separation with spouse. It also refers to women who became pregnant due to abuse.

Republic Act No. 8972, otherwise known as the Solo Parent's Welfare Act, provides for the remuneration and privileges of a solo parent. Said law mandates the Department of Social Welfare and Development (DSWD) to assists solo parents through social development and welfare services such as livelihood development services, counseling services, parent effectiveness services, critical incidence stress debriefing and other special projects for individuals in need of protection.

Even with privileges, double hardship still saddles solo parents; they perform parental duties singlehandedly in the face of economic turmoil characterized by skyrocketing prices, poverty and massive unemployment. As such, there is a necessity to amend the existing law to address the financial concerns of solo parents amidst the economic difficulties that the country is experiencing.

This bill aims to provide additional support and benefits to solo parents. Such benefits include:

- 1. Ten percent (10%) discount from all purchases of clothing and clothing materials for the child for two (2) years from child birth;
- 2. Fifteen (15%) discount from all purchases of baby's milk, food and food supplements;
- 3. Fifteen (15%) percent discount from all purchases of medicines and other medical supplements/supplies for the child; and
- 4. Basic personal exemption from individual income tax.

The enactment of this proposed measure will help lessen the financial burden carried by solo parents by affording them additional remuneration. Through this, we are assisting the solo parents to be able to provide a better future for their children.

In view of the aforementioned, the passage of this bill is sought.
