REPUBLIC OF THE PHILIPPINES)
First Regular Session)

DEPT. OF JUSTICE

30 JUL -6 P2:47

SENATE

S. NO. 400

RECEIVED BY 

Introduced by Senator Antonio "Sonny" F. Trillanes IV

EXPLANATORY NOTE

The Philippine Archipelago is one of the largest archipelagos in the world. It is composed of 7,107 islands and a coastline that stretches around 20,000 kilometers. It is no surprise that most of our people rely much on the bounties of the seas and the coastlines for their survival.

Article 12, Section 2 of the 1987 Constitution mandates that, "the State shall protect the nation's marine wealth." However, even with the said clause in the Constitution, our marine resources weren't spared from the damages and destructions brought about by our activities. These damages and destructions in turn threaten the resources that provide our countrymen food and source of living.

This bill prescribes every second Saturday of September as "National Coastal Clean-Up Day" to heighten the consciousness of our countrymen on the importance of preserving our marine resources thru programs and activities that would promote prevention of water pollution.

In view of the foregoing, immediate approval of this measure is earnestly sought.

ANTONIO "SONNY" F. TRILLANES IV
