

FIFTEENTH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
First Regular Session)

OFFICE OF THE CLERK

10 JUL -6 P3:29

SENATE

S. No. 414

RECEIVED

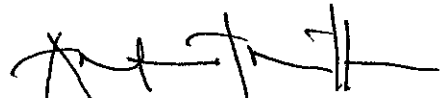

Introduced by Senator Antonio "Sonny" F. Trillanes IV

EXPLANATORY NOTE

In the past, a number of government employees have been harmed, and worse, killed in pursuance of their duties. More often than not, the families of the deceased have been unable to afford their departed relatives a decent burial, to say the least. Thus, it is only fitting that they be provided compensation for the risks connected with their duties.

This bill is being proposed in order to provide all officials and employees of the government a hazard pay especially in cases where they are assigned to hazardous, isolated and inaccessible areas, x-ray units, institutions that care for the mentally deranged, places that are subject to deprecation by criminal elements, plants and installations of the arsenal, aboard aircrafts and watercrafts in crossing bodies of water and other similar situations.

In view of the foregoing, the immediate passage of this measure is earnestly requested.

ANTONIO "SONNY" F. TRILLANES IV
Senator
