Senate Bill No. 470

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Election offenses have long been a reality in Philippine politics. In fact, our people have witnessed massive incidents of election violations in the past which have eroded our people's confidence in the sanctity of our election process. This bill seeks to give more teeth to our existing law by increasing the penalties provided for under Section 48 of Republic Act 8189. This should help deter deceitful individuals from committing election fraud.

In order to address the upsurge of election related offenses as well as regain our people's faith in the election process, approval of this bill is strongly recommended.
