Senate Bill No. 576

RECEIVED BY 

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

We have witnessed the costly devastation brought by strong typhoons "Ondoy" and "Pepeng" to our people's lives and properties. Insurance claims from water-logged motor vehicles reached billions of pesos. It is, however, unfortunate that some insurance companies deliberately resort to "Acts of God" clause in insurance policy to avoid payments to insured car owners, leaving comprehensive insurance plan holders helpless in the midst of enormous losses.

This is a deceptive policy of several insurance companies which refuses to indemnify owners of motor vehicles, despite the fact that their motor vehicles are covered by comprehensive insurance policy.

This bill seeks to address this scenario by proposing an amendment to the Insurance Code.

Under this legislative measure, it is proposed that in case of a comprehensive motor vehicle insurance, no policy shall be issued and delivered in the Philippines unless it contains in substance the provision that comprehensive motor vehicle insurance shall cover all fortuitous events, such as floods, landslides, typhoon, volcanic eruptions, earthquakes and other related natural calamities provided that the accident, loss, damage or liability is directly or indirectly, proximately or remotely occasioned by, contributed to by or traceable to, arising out of, or in connection with the aforementioned natural events.

Such inclusion of fortuitous events in the comprehensive motor vehicle insurance shall be subject to additional fees, as may be prescribed by the Insurance Commission.

In view thereof, earnest approval of this bill is requested.
