EXPLANATORY NOTE

In the Philippines, there is no law prohibiting the manufacture or production of toy look-alike or imitation firearms which can be used by lawless elements in the commission of crimes against persons. Thus, the production and manufacture of such look-alike firearms contribute to the ever increasing criminality in the country.

This bill seeks to regulate the manufacture or production of toy look-alike or imitation firearms unless such imitation firearms are approved by the Department of Trade and Industry.

Immediate approval of this bill is earnestly solicited.
