SENATE

Senate Bill No. 890

RECEIVED BY: 

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Article II, Section 26 of the Constitution provides that: "the State shall guarantee equal access to opportunities for public service, x x x as may be defined by law." Executive Order 292, otherwise known as the Administrative Code of the Philippines, provides for the recruitment and selection of government employees. Section 21 further provides that "opportunity for government employment shall be open to all qualified citizens and positive efforts shall be exerted to attract the best qualified to enter the service."

Government invests heavily in education through state colleges and universities. Hence, priority should be given to qualified honor graduates of public schools in the recruitment of civil service personnel. This would also serve as an incentive for students in government - funded schools to excel academically.

Considering the foregoing, the early passage of this bill is earnestly urged.
