OF THE PHILIPPINES)
Second Regular Session)

8 DEC -3 1938

SENATE
S. B. No. 2938

RECEIVED

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The Constitution, Article II, Section 5 provides:

The maintenance of peace and order, the protection of life, liberty, and property, and promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy.

Crime is on the rise. Carnapping and bank robbery are among the crimes of choice of small time and organized criminal syndicates. Criminals resort to different ways and means to evade law enforcers in the commission of these crimes. One way to avoid the authorities is through the use of devices which obscure or lessen the legibility of plate numbers.

These devices may also be used to avoid vehicle identification in case of accidents or criminal negligence. This bill seeks to address the problems caused by these devices by prohibiting its sale and use.
