S. No. 2987

EXPLANATORY NOTE

According to the World Health Organization, an estimated 1.2 million people worldwide are killed every year due to road accidents, and as many as 50 million are injured or disabled. The majority of these deaths, approximately 85 percent, occur in low to middle-income countries

Inexperienced Drivers cause many automobile accidents as they are unfamiliar on how to drive. Many drive too fast for conditions, fail to obey speed limits, and get themselves in dangerous situations by following too close or aggressive maneuvers that do not allow escape routes. Statistics and common sense tells us that every year there are far too many accidents caused by young novice drivers who are allowed by irresponsible vehicle owners to drive even without having the proper driver's license.

This bill seeks to penalize irresponsible vehicle owners who permit persons not authorized or licensed to drive a vehicle from driving their vehicles.
